

AVIATION

Rooftop Bar & Kitchen

“Adventure is worthwhile in itself.”--Amelia Earhart

Our namesake cocktail, The Aviation, is a very old drink, invented way back in 1916. It's adventurous, tart, citrusy, and floral. The name suggests a certain amount of danger and adventure-- as air travel did at the time. If you're up for some adventure or prefer your usual, let us know. At Aviation, we are always happy to be your co-pilot and make suggestions.

We use fresh juice, make our own syrups, and craft our cocktails with the best spirits available.

Welcome, we hope you enjoy a mini stay-cation with us! --**The Aviation Cre**
